

Magic moments August Newsletter

Hi Everyone.

I am sorry to say that the Brigg Summer Fair has been cancelled, so the only fundraiser we have left for shows is West Butterwick Field Day. I am looking for 3 people to help Julie as Ali and I are fundraising in Grimsby, due to Diane being in America.

We are buying all the last of the items for the tea room in the next week. We will then be calling environmental Health to give us the all clear for opening.

We will be holding in September the following fundraisers.

1. a table top sale 2nd Saturday in September
2. Car boot sale on Tony's land in Kirton Lindsey anyone can take a car to sell some of your stuff £5 a car, you can have 2 tables. Maybe the third Sunday in September

All your raffle tickets must be sold and stubs and money returned by the end of August also anyone coming to the ball must have their payment made or deposit paid by the 31st of August. If you are not coming it would be nice if you could donate a nice raffle prize. We are also looking for things to Auction.

Also in October will be the presentation night there will be a small charge towards the food, as we are putting on a hot buffet, we need to know what you would like there food wise.

We have 2 days selling raffle tickets in Morrison's also during October. They are during the week.

Christmas Party will be in the centre we will also be doing Santa in a grotto for the public to come into. Matt and Tony will do Santa any other offers please. We will also need Santa's helpers to take photos etc.

Every Wednesday.

We need all kids with talent to come to the show rehearsals at the centre on a Wednesday morning. Dancers definitely needed. We are doing lion king, Annie mama mia and high school musical.
